

## Designer's Choice Perimeter System Upright Panel Options

Designer's Choice is a truly versatile perimeter system that lets you choose Upright Panel thickness, height and depth to create your own special look for your specific merchandising needs. Pin holes 1" on center use steel pins to support adjustable shelves, hangrods and SlatRails. Mix or match any of the Upright Panels within the same cabinet run. See page 73 for front edge moulding patterns and page 5 for wood and finish options.

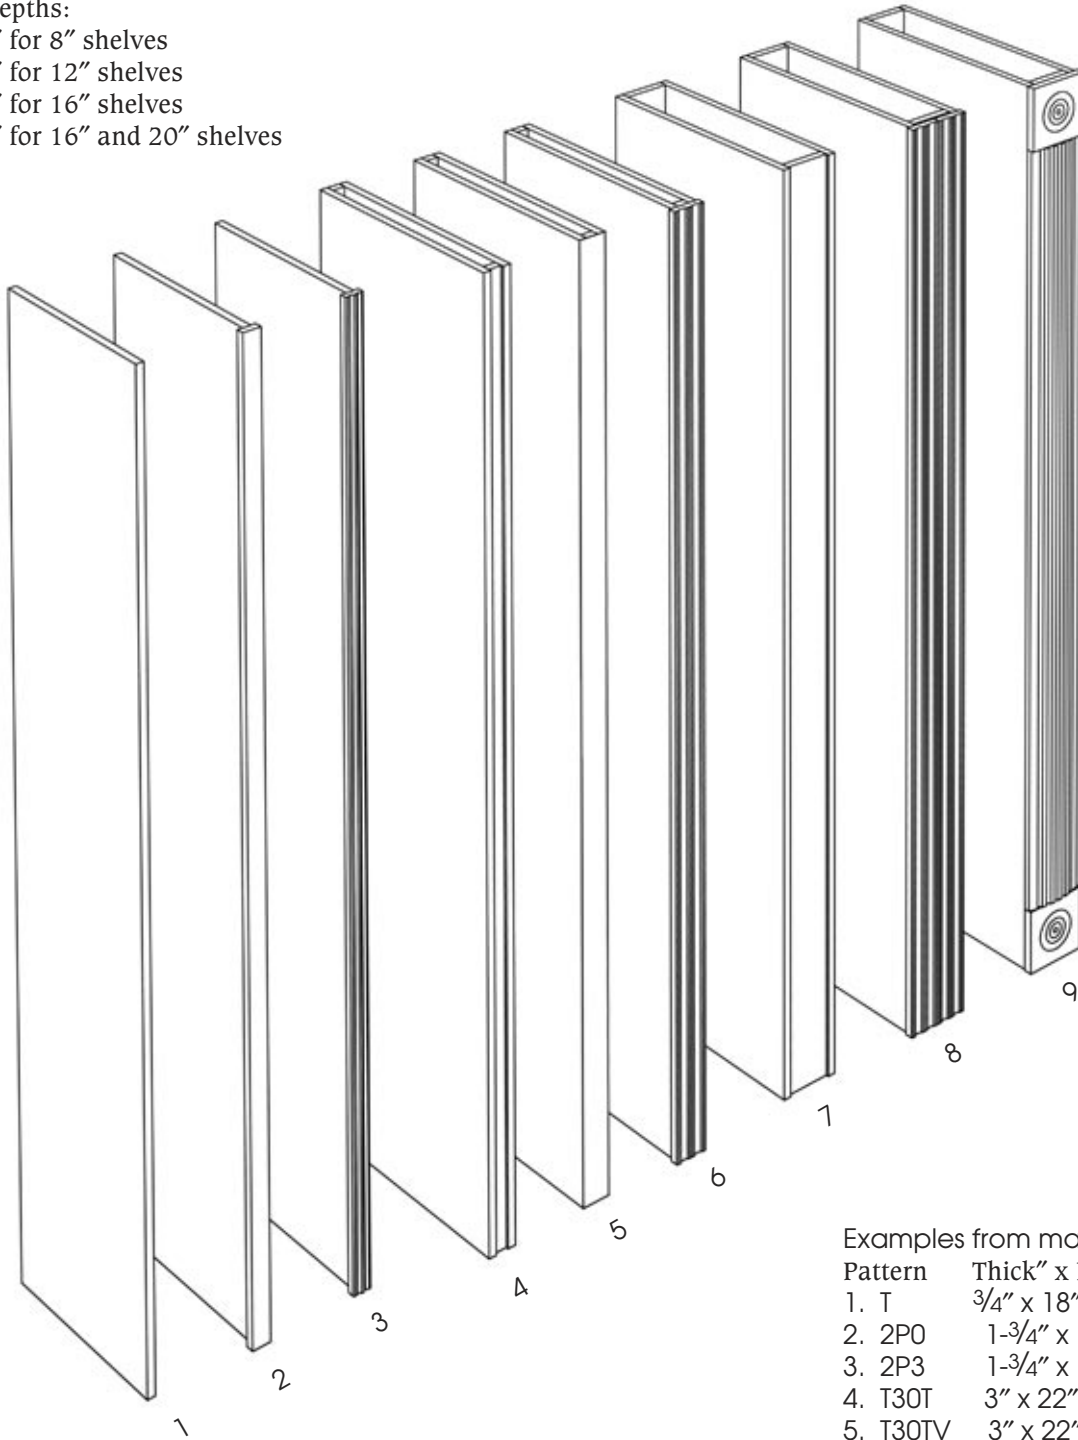

Panels can be ordered without pin holes to be used as partitions. Call for pricing.
