

These photos show how a simple design can be upgraded with Designer's Choice Perimeter System options. The inside cabinet dimensions are the same on all three sections, but the appearance changes dramatically by varying the Upright thickness and moulding patterns on the Uprights, Headers and Top Caps.

A. 22" D x 147" W x 92" H
Uprights and Headers with 3/4" taped edges (PT).
Shown without accessories.
As Shown: \$1,767.00 in Melamine \$1,018.00

B. 22" D x 162" W x 92" H + Top Cap
6" Thick Uprights (T60T) inside and
3" Thick Uprights (T30T) outside. Headers
and Top Caps with Moulding Pattern 6P9-2.
See page 69 for photo of this same run with
laminite. Accessories include Adjustable
Shelves upgraded with P2 Moulding on
front edge, Hangrod and SlatRail with
Waterfall Faceouts.
As Shown: \$3,592.00

Header optional if Top Cap used

C. 22" D x 156" W x 92" + Crown
3" Thick Uprights (3P3). Headers (6P3)
and Crown Moulding Top Cap (6PC1).
Accessories include Shelves, Hangrod,
SlatRail and Waterfall Faceouts.
As Shown: \$3,614.00
