

Modular Bins (J*B)

Use 92" H cabinets with 12 bins or 18 bins with or without end panels singly or in any combination as an add-on system. Use as wall system, room divider, back-to-back and in combination with NEWLOCK®, NEW-Wall and the Designer's Choice Perimeter System. 15" W x 14" D shelves adjust vertically 1" on center. Add extra shelves for more bin spaces. Optional moulded cap. Ships KD.
