NOTE 1: Depth & Width are shelf dimensions.

Add ¼" to shelf Depth for unit dimension, add 1-¼" to the **sum** of the shelf widths used (24", 36", 48", etc.) for unit width.

i.e. 17" D x 24" W shelf dimensions =
17-½" D x 25-¼" W unit dimensions.

NOTE 2: A run of Starter (2 uprights) & Add-on units (1 upright) requires (1) Starter, then as many Add-on units as you want.
