

## NEWConcept Wine Units

Oak and Maple. 3, 4 & 5-level Units w/Shelves, Unit w/Dividers, Gondola (double-sided) and End Cap in a starter and add-on system.

Units w/Dividers offer half-case fronts with four bottles down and two up.

Our NEWConcept Wine System gives the flexibility of custom-built units at an affordable price. Optional signage, Platform Base w/bumper guard and locking glass doors. (Call for optional specifications and pricing.)

Choose moulding pattern and finish. All units ship KD. No UPS.

Wood-grained Melamine is priced with taped edges. Melamine with moulding by quotation.

5-level Unit w/Dividers and Moulding

5-level Unit w/Shelves and Moulding

(P#) 5

(P#) 6

Optional Tag Moulding for Shelves holds 1-1/4" standard price tags.

## Moulding Pattern Options

NEWConcept Wine Units come with pattern moulding or taped edges. Shelves have wood tag moulding (choose P5 or P6 shown left).

For Units with moulding, Uprights and Panel Caps use 1-3/4" moulding. For Headers, use 6-1/2" moulding (*page 175*).

Units shown use Panel Caps. *See page 175* for other Top Cap options.

3-level Unit w/Dividers, moulding and accent stripe.
