# Specs, Features & Accessories

NEWOOD's line of mobile floor displays feature high strength concealed channels that support heavy merchandise, making them much stronger than surface mounted channels or slatwall. With accessories, the five basic configurations provide merchandisers with many display options. Choose a laminate that fits your décor or order Maple/Oak finished with clear lacquer or with stain to match. Wood grained Oak or Maple Melamine are also options. We have no minimum purchase requirements. Displays ship KD (flat) which reduces shipping costs. Knocked down panels are easier to move through narrow openings and can be disassembled during off season marketing.

**I-FRAME**

**H-FRAME - DOUBLE**  
32" x 54"

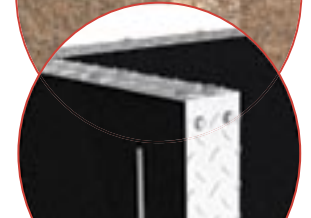

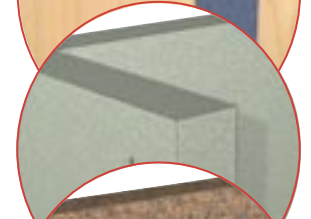

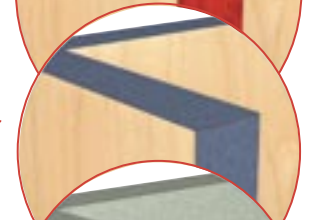

All Gondolas are 52" tall including casters

**Slatwall slot** accommodates any slatwall accessory. Super strong!

High-Strength **Concealed Slotted Channels** are perfect for merchandising your heavy-load items. Slots are 1" on center.

Use **Laminates** (on edges or panel front and back) to match your existing décor or color.

Gondolas ship **Knocked Down** (flat) resulting in reduced freight!

Oversized, 3" **Casters** are rated for 300 lbs. each.
